

New dss+ eCommerce site login instructions

Reason for the change?

We are consolidating multiple dss+ eCommerce websites into one site to provide a better user experience and streamline the purchasing process.

How will this change impact you?

- How you login to CoastalFlixSM will change.
- You will now need to sign into your account at www.consultdss.com
- Click Online Marketplace from the top menu

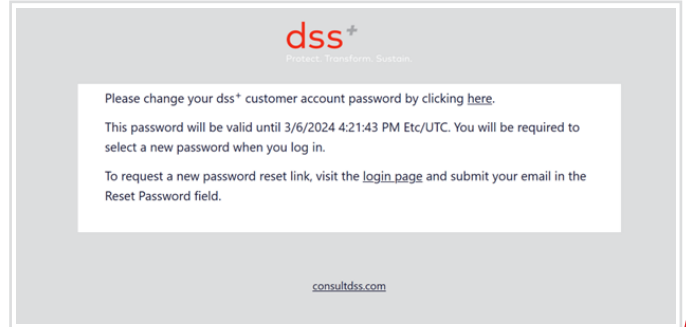

Please note that for security reasons, you will need to change your password the first time that you login to the new site. You can do so by using the 'forgot' password link.

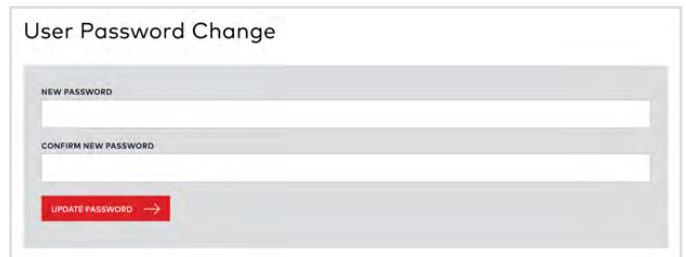

Enter your registered email address and click on reset password.

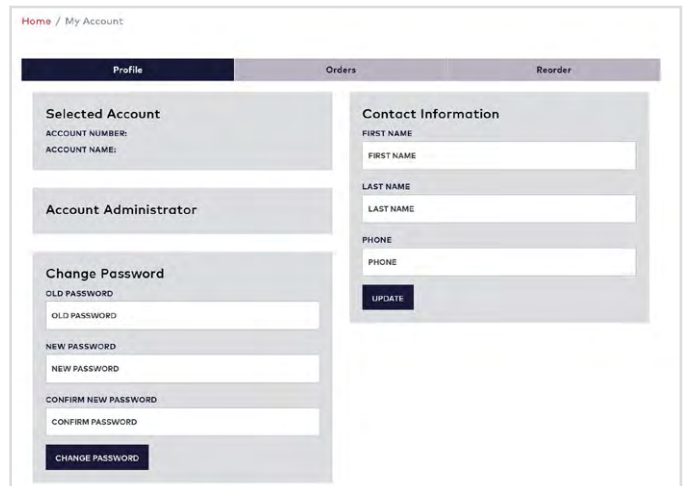

You will then receive an email with the link to change your password.

Now, once logged in, you can update/change your password

Once you have logged in using your new password, you will be taken to your account page

You can access your dashboard link from the top menu.

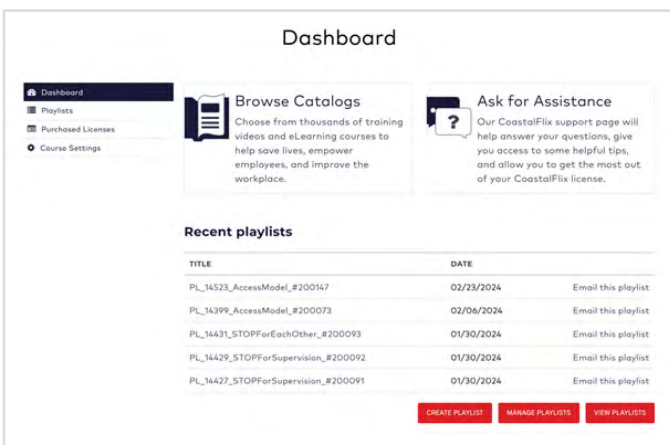

Protect. Transform. Sustain.

New dss+ eCommerce site login instructions

On the topmost portion of the page, you will see a link to the Dashboard

When you click it, you will see the familiar dashboard layout

What is not changing?

- Your playlists, playlist URLs, and currently used links will not change
- If you use the 'pin' security function to access a playlist, that will not change
- How you renew or update a license
- How you add videos to an existing playlist
- How you deliver videos across your organization

For questions on the new website, please contact csrserv@training.consultdss.com.

Thank you.
